

# WhirlBath™

a total management program of whirlpool/hydrotherapy products

**Uses:**

- Shampoo Body Wash
- Bath Additive
- Disinfectant Cleaner

**LATEX FREE**

Products are designed to be compatible with "your" tub as well as with one another.

▶ **Whirlbath balance**

Shampoo and upper body wash formulated with mild cleansers and conditioners. Controlled viscosity and foam makes rinsing and cleansing as well as bathing the resident easy. Gentle to both skin and hair.

▶ **Whirlbath Aloe**

Bath additive/skin conditioner. Mild and gentle. Softens, moisturizes and cleans. Special formula effectively cleans by helping to loosen sebum and flaking skin.

▶ **LemonKleen**

Disinfectant/Cleanser. One step cleaner. Will help control cross-infection in tubs, whirlpools and other bathing equipment (shower chairs, commodes.)
